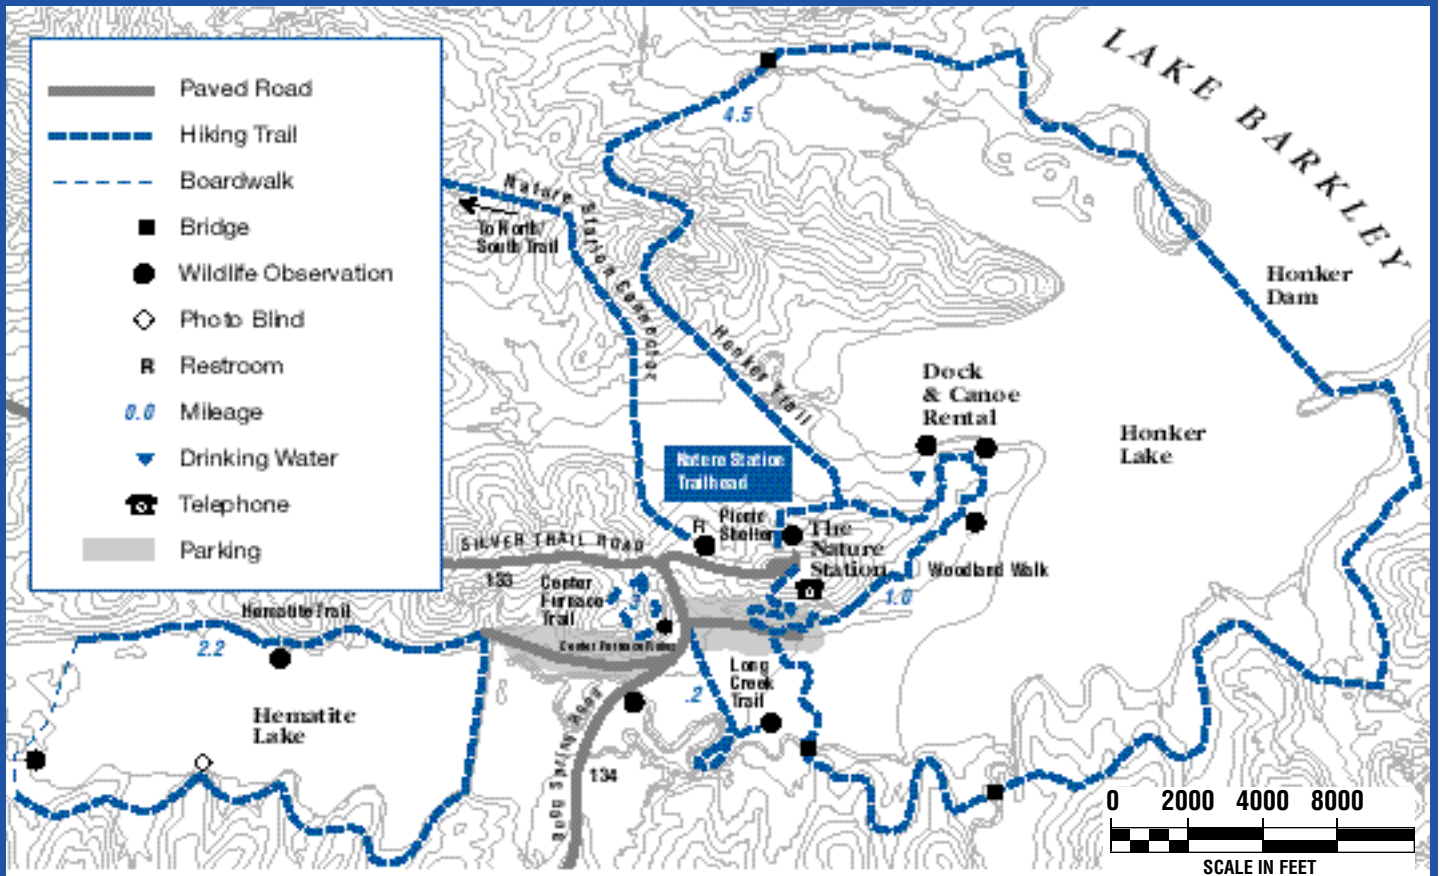
The Nature Station Trails



HEMATITE LAKE TRAIL

Trailhead: The Nature Station

Trail Connection: N/A

Uses: Hiking

Rating: Easy. Trail travels flat land along the woods and shore of Hematite Lake.

This 2.2-mile trail is located in the Environmental Education (EE) Area and is a popular spot for viewing waterfowl such as ducks and geese. Picnic tables near the trailhead and the short distance make it popular with families. There is no camping permitted in the EE Area.

HONKER LAKE TRAIL

Trailhead: The Nature Station

Trail Connection: N/A

Uses: Hiking

Rating: Easy to Moderate. Trail goes up moderate hills and ridges, and by flat lakeside meadows

This 4.5-mile trail is located in the Environmental Education (EE) Area and passes through scenic woodland and lakeside habitats. Sightings of fallow deer and Giant Canadian geese are common along this trail. There is no camping permitted in the EE Area.
